

A separate Notice of Intent (NOI) must be filed with the Arizona Department of Environmental Quality (AZDEQ) for each Operator for this project. AZDEQ defines an Operator as:

**One who has operational control of construction plans & specifications including the ability to make modifications to those plans and specifications.**

**AND**

**One who has day to day operational control of those activities necessary to ensure compliance with the SWPPP for the site or other permit conditions.**

Attached is a blank NOI to be filled out for each new Operator for this project as applicable.

A Notice of Termination (NOT) must be filed with AZDEQ once construction is complete and the project is **uniformly stabilized to a minimum of 70% background native vegetation levels.**

A separate NOT must be filed for each Operator previously submitting an NOI. Attached is a blank NOT form to be filed with AZDEQ by each Operator once their responsibility for the project is terminated.

A copy of the NOI and NOT mailed to ADEQ should also be forwarded to the local jurisdiction.
