

## Last winter's showers bring this year's flowers!

Hey Kids! Do you remember when it rained last winter? Well, the really cool thing is that because of the 2.2 inches of rain last winter, there will be amazing Spring flowers this year!

In the desert, flowers start blooming at the end of february and last until May. Have you seen any of the flowers below?

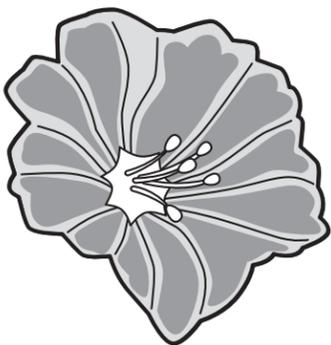

arizona poppy (yellow & orange)

desert marigold  
(bright yellow)

brittlebush (bright yellow)

purple ground cherry  
(purple with white center)

Pima County Regional  
**FLOOD CONTROL**  
DISTRICT
