

The Pima County Regional Flood Control District would like to invite you to a construction kick off meeting to discuss the upcoming construction of the Pantano Wash Bank Protection project. The information meeting will be held on:

Monday, December 14, 2009 from 6:00 to 7:30 PM at

The Morris K. Udall Regional Center  
7200 E. Tanque Verde Road

The project will be improving the bank protection and grade stabilization along the Pantano Wash from Speedway to Tanque Verde Road.

The open house begins at 6:00 PM with a brief presentation to describe the project status. After the overview, the public can interact with team members to answer questions about concerns they may have.

Individuals with disabilities who require accommodations for effective participation and communication in the meeting may call Carol Brichta, Community Relations at 740-6410 by Dec 1<sup>st</sup> 2009 to make arrangements.
