Vic Rothacker called Gerald Bowlin regarding the under construction elevation certificate returned on 8-12-03. Section C3. is incomplete, Mr. Bowlin assured Mr. Rothacker that an additional elevation certificate would be returned following pouring of the floor and that all areas of Section C3 would be completed.

The home is to be built on a stem wall. The inspection for the stem wall footings would not be released by DV Services until cleared by Floodplain Management.

Mr. Rothacker will have the hold released.

Victor's Note  
Surveyor didn't use  
the original form  
& also used a higher  
BFE. His F.F.E  
looks good so I told  
him I thought you  
could pass this. The  
Surveyor will provide  
any info you may  
request. Gave surveyor
